

Job Description

Job Title: Sr. Accountant

Location: Mangalore

Overview:

Responsible for supporting and managing US accounting operations, ensuring accurate financial records, timely reporting, compliance and operational efficiency.

Key Responsibilities:

- Manage end-to-end accounting for US entities.
- Lead month-end, quarter-end and year-end close processes.
- Review journal entries, reconciliations and financial statements.
- Prepare management reports and variance analysis.
- Ensure compliance with US GAAP and internal controls.
- Support audits, tax filings and statutory requirements.
- Drive process improvements and automation initiatives.
- Coordinate with US clients, auditors and business stakeholders.
- Mentor and oversee junior accounting team members.

Required Qualifications:

- Bachelor's/Master's degree in Finance, Accounting or Commerce.
- 5+ years of relevant US accounting experience.

Desired Skills:

- Strong understanding of US GAAP and financial reporting.
- Advanced Excel skills.
- Experience with QuickBooks preferred.
